

High school students! Submit your art by April 22, 2019 be part of a community exhibit that will showcase the value of connection. Who inspires you? Where do you feel connected? How do you spend your free time? What does it look like to

YOU MATTER!!

PHOTO VOICE: An exhibit to explore the power of **PREVENTION**

Prevention works! The purpose of the PHOTO VOICE project is to showcase photos and other art forms that help demonstrate the importance of primary prevention and the protective factors that work.

High School Students: Showcase your perception of what connection and support looks like (see back page for more info).

Art submissions for Photo Voice may include photography, drawing, poem, painting, etc.

Submit your art by April 22, 2019

Enter and get a chance to win gift cards and other prizes!

Student participation Checklist

◇ Review protective factor list:

Connection to Family, Connection to School, Connection to Community, Connection to Peers/Individuals, and Connection to Cultural Identify

◇ Think about how you might capture the importance of one or more of the protective factors using art.

◇ If you decide to participate in Photo Voice, make sure your parent/guardian signs the permission slip

◇ Decide what art media you will use to help us tell a story about someone, something or somewhere that matters to you

◇ Create your PHOTO VOICE (photography, drawing, poem, painting, etc.)

◇ Write 2-3 sentences describing the photo or art

◇ By April 22, 2019 upload your Photo Voice submission on our website www.healthiestmc.org/substance-abuse-mental-health. Submissions must be a high resolution 300 ppi

◇ Email any questions to healthiestmc@gmail.com
